Rep. Keenan Files Bill To Allow Communities Private Way Repairs

Representative Henry E. Keenan has filed a bill for the coming session of the Legislature which will allow cities and towns to make temporary, minor repairs on private ways, therein certain cases if the voters, so vote. Representative Keenan told the Press that this bill was filed after consultation with officials at the State House and the local joint board of Selectmen and Public Works Department of Arlington. This act will in no way interfere with the present plans that the joint board is acting upon relative to the unfinished streets in Arlington.

It is however, a well-known fact that there are some 35 miles of unfinished streets in the town of Arlington and it would be financially and physically impossible for the town to complete these streets all at once. However, in cases where tax payers on certain streets in Arlington would like to have temporary repairs made until such time as their street is

completed under our present system for completion of streets under the proposed system now under consideration before the joint board, this act would apply. This is simply permissive legislation that will be discussed in the Legislature next year. It is quite possible in the discussion that further amendments or restrictions will be added to or placed in the proposed act. Representative Keenan points out that this is permissive legislation that has to be applied for by a total of 200 registered voters of Arlington or 20 per cent of the total number of registered voters. They must request by petition that this act be placed upon the official ballot and be voted for by the majority of voters voting in the annual election.

Representative Keenan found in talking with other officials of cities and towns, that a great deal of interest was shown in this type of legislation.

"Lights On" Brings New Dollars For Red Feather

Chairman Kenney of the Arlington Community Fund Drive, announces that the Town stands well at the top of the list of at least twenty-five communities which dramatized the "Lights On" appeal to the hearts and consciences of its citizens, between the hours of five and eight o'clock, on Sunday evening, November 13.

Responding promptly to the "S. O. S." signals the many solicitors were enabled to swell the total collections by two hundred and fifty dollars, including one fifty dollar

contribution from a residential source, which means that as of Wednesday noon, November 16th, Arlington has collected ninety-one per cent of its total of \$25,200, leaving the sum of \$2800 to be collected in these last days of the drive.

Realizing this, Chairman Kenney hopes that civic-minded residents will find it possible to do their part to put the drive over one hundred per cent. The last "Victory" dinner of the committees and chairmen will be held on Thursday night at the Hotel Bradford in Boston, at which final reports must be submitted.

Not far to go indeed, but always the climb steepens as we near the summit. Chairman Kenney urges all to give and give again and to redouble our efforts, open our hearts and consciences and put the town over the top.

Atomic Talk Tonight

A talk on Atomic Energy will be given by Professor H. Guyford Stever, of M.I.T. and an explanation of the new grade school marking system by Miss Katherine Gregory, supervisor of Elementary schools, at the Locke PTA Fathers' Night meeting, held this evening in the school auditorium.

Will Arlington Get The Gator Bowl Bid?

Arlington or Lowell; who will get the Gator Bowl bid? This is the question that is poised on the lips of all Arlington residents this week.

The Arlington High eleven, coached by Henry Toczylowski, ramped over Watertown High last Saturday and have definitely become contenders for the Class "A" championship. Should Arlington win the race, it will be the first time in the history of the town that it has had a championship team. The closest Arlington ever came, was in 1932 when it finished the season with only one loss, and that to Belmont High.

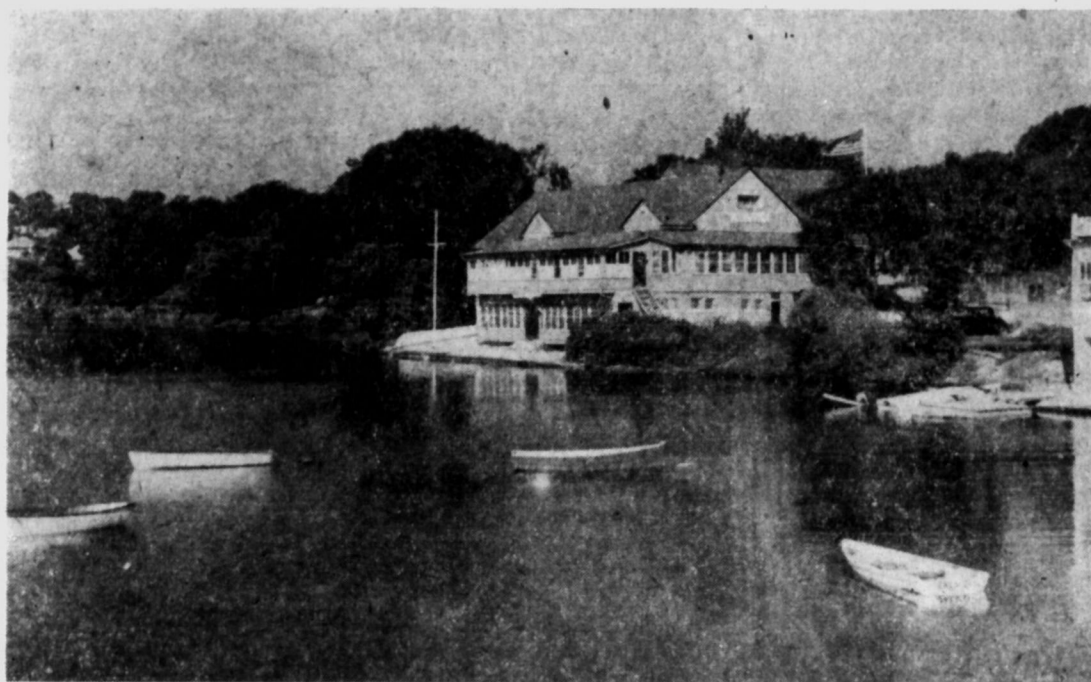

The question as to whether Arlington will go south cannot be

answered as yet, however. If they succeed in getting the bid, it will be accepted, according to a very reliable source. The money for the trip is still somewhat of a problem, but a portion of the required sum has already been pledged by various townspeople.

Special Meeting At Town Hall

A special meeting has been called by the Arlington Board of Selectmen, for tonight at eight o'clock in the Robbins Town Hall, for the purpose of making plans for the town's observance on Patriot's Day April 19.

"New Home" Of Boys' Club

A fine clubhouse, plenty of recreation room outdoors and a beautiful lake nearby, is a combination that the Arlington Boys' Club members are now enjoying to the utmost. After taking over this former boat house, the Housing Committee of the Boys' Club has been working hard to make changes inside and out, to give the boys one of the best clubhouses in New England. Included in the clubhouse are a new gym, new senior, junior and midget rooms and a club office. The above photograph shows just how ideal the entire layout is.

THANKSGIVING GAME TICKETS ON SALE

The adult reserved seat tickets for the Thanksgiving Day game with Melrose, to be played at Arlington this year went on sale as of Monday, November 14th, at the Arlington high school. Telephone reservations are being accepted, but tickets so ordered, must be purchased by Tuesday, November 22nd. The office is open from eight until four on Monday through Friday, but not open on Saturday. The price of the tickets is ninety cents.

Stresses Need For National Security Through Services

Gen. Keating Warns Of Danger Through Lack Of Preparedness

Hoboes Banquet Great Success

The post-season banquet of the Arlington Hoboes, which was held at the American Legion Hall on last Wednesday evening, brought out a large attendance. The guest speakers were Artie Gore, National League umpire and Mickey Harris, of the Washington Senators. Each of the members of the team was presented with a jacket, and entertainment by "The Singing Cop" Walter Smith, was much enjoyed. Anthony "Cappy" and Johnny Buckley, local merchant, received congratulations on the excellent job of coaching which they rendered the group during the entire season.

Major General Frank A. Keating, Commanding General, New England Military District, in a stirring address at the meeting of the Arlington Military Manpower Committee held in Arlington Town Hall on Tuesday evening stressed the necessity for national security to be obtained through adequate development of our armed forces. Though we regard ourselves as a peaceful non-military people, we have nevertheless, General Keating said, been involved in seven major wars and have because of our unpreparedness paid a heavy toll in loss of life and of national wealth.

Joseph Peterson, Chairman of the Board of Selectmen greeted the assemblage on behalf of the town, and the Reverend John Nicol Mark delivered the invocation. The 395th Army Band under the direction of its leader, P. A. Parkson, rendered musical selections that were loudly applauded. Mrs. Stanley Kingman, Chairman, presented the groups representing the various branches of our armed service. Major Roy Millar, introduced by Mrs. Arthur J. Mansfield, told of the work that

has been done for Safeguarding our Peace throughout the New England District, for which he is Public Information Officer. He was followed by Major Robert R. Sigel, Recruiting Officer for the New York area, introduced by Mr. Richard D. Noy, of the Arlington Military Manpower Committee, who told of the work done in the district under his charge.

Major William Berkeley, of the Military Personnel Procurement Division, Washington, D.C., introduced

St. James H. N. S. Hears Famed Educator

A most interesting and instructive meeting of the St. James Holy Name Society, was held in the parish hall of the church, on Sunday, November 13, following the 7:30 mass.

Francis X. Rooney, of Somerville, the guest speaker, took as his subject - "Mountains Among Men."

Mr. Rooney is a graduate of Boston College, head of the Eng-

lish department of the Somerville high school, and instructor of who holds his audience with intense public speaking of the State department of education. He has traveled extensively, and is well known as a fascinating lecturer interest.

A delightful musical score was provided by William Finn, who produced one of the most successful minstrel shows ever held in Arlington last winter.

President Charles Armour was in the chair, and the program was under the direction of Joseph Warren. The latter, has arranged a series of programs for the coming year which will provide the ultimate in entertainment for the members of the organization.

Appointed To Planning Board

At a joint meeting of the Arlington Board of Selectmen and the Arlington Planning Board, held on Monday evening, Robert MacIntosh of 42 Sunset road, a registered architect, was appointed a member of the Arlington Planning Board. Mr. MacIntosh is one of the town's leading citizens and has been a resident for twenty years, owning his own home.

ARLINGTON GIRL MARRIED IN LEXINGTON CONG'L CHURCH

One of the most attractive of the fall weddings, was that solemnized on Saturday evening, October 15th, at the Hancock Congregational church in Lexington, when in a candlelight service, Miss Barbara Hillard, the daughter of Mr. and Mrs. Clayton A. Hilliard, of 23 Bailey road, and John Craig Kammerer, the son of Mr. and Mrs. C. Frederic Kammerer, of Plainfield, New Jersey, exchanged marriage vows. Rev. Roy M. Pearson officiated at the double ring ceremony. The organist was Wilmer T. Bartholomew, with Miss Francis Story as soloist.

Given in marriage by her father, the bride was radiant in a white satin gown worn off-shoulder, with seed pearls and lace trim, her veil of French illusion attached to a headband of seed pearls. A bridal shower bouquet of white roses, stephanotis and miniature ivy, completed her costume. Miss Beverly Hilliard, of Arlington, sister of the bride, as maid of honor, was dressed in a white faille taffeta, and carried a bouquet of white and rose chrysanthemums and ivy. The bridesmaids were in similar costumes, of rose faille taffeta, and carried bouquets of white and rose chrysanthemums and ivy. They were Mrs. Arthur B. Jellis, Mrs. Wilbur R. Hyatt, and Miss Eleanor Knight, all of Lexington, and Mrs. J. Francis Doolley, of Needham. Miss Ivey Govan, of Lexington, was flower girl. She was lovely in her costume of yellow net over taffeta.

The best man was Parker Carroll, of Memphis, Tenn. The ushers included Mr. Bruce M. Wimer, of Philadelphia, Ronald G. Wiegand, of Chicago and Charles A. James, Jr., of Plainfield, N. J.

A bridal reception followed at the home of the bride's parents. In the receiving line with the bride, was Mrs. Hilliard, mother of the bride, who wore powder blue crepe with corsage of rubrum lilies. The mother of the bridegroom, Mrs. Kammerer, was dressed in deep purple crepe. In charge of the guest book was Mrs. John Alden, of Arlington, a cousin of the bride. For her going away outfit, the bride wore a gabardine suit of cranberry red with navy accessories, and a corsage of white roses and stephanotis completed the costume. The couple left for a motor trip through New Hampshire, Vermont, and Northern New York. They will make their future home in Philadelphia.

Boys' Club Craft Classes Now Underway

The most popular rooms at the Arlington Boys' Club this fall are the recently renovated Hobby and Craft rooms on the lower floor of the Pond Lane Clubhouse.

An innovation this year has been the inclusion of natural boy groups with a volunteer adult leader in charge for a half period each week. Several of these groups have already gone into action on wood-working, plastercasting, toymaking, leathercraft, metalcraft and photography.

Adult volunteer leaders include Messrs. Allen Hughes, Eugene Lawlor, Jack Bowler, Henry Otton, Archie Deane, Arthur Damiseau and Charles Small. Mrs. James Sumner is also leading a group in plastercasting.

The annual Halloween Party was attended by more than 200 boys and furnished an exciting and interesting evening for the Midget and Junior members of the club. Winners of the costume contest were: Funniest, Charles Cole;

Arlington Boys Win At Bridgton

Arlington boys have been contributing much to the year's successful football season at Bridgton Academy in Maine. The fact that the team's record to date stands at three wins and one loss is due in no small part to the services of Bob Shea, Chick Ling, Jud Donovan and Don Canniff, all former Arlington high school athletes. Shea, Ling and Canniff hold starting backfield positions on the Bridgton varsity while Donovan is at left end.

In Bridgton's game last Saturday, Canniff and Donovan were cited for outstanding play in the local Maine sports page as Bridgton trounced Sanford 40-0. Canniff opened the scoring for the home team by intercepting a pass and running fifty-five yards to pay dirt. Later he threw two touchdown passes to Jack McDonnell, former Watertown great. Ling was forced to retire early in the game with a rib injury but has shown plenty of offensive strength in other games. Bob Shea who scored one for Bridgton last Saturday, has been a steady ground gainer all year. He has been particularly effective at hitting the line.

Bridgton winds up its season on November 5 in a game against the University of Maine junior varsity.

Many Arlington Folks To Attend "Marriage" Group

Many Arlington social workers and club members, as well as church goers, are much interested and considerably curious, to witness the opening of the unusual and unique modern "Marriage and Family Consultation Service" course which opens this week with headquarters at The Community Church Center, in Copley Square, in Boston.

"This service is offered to all couples married, and those contemplating marriage, says the Rev. Donald G. Lothrop, "regardless of race, creed or color. The staff consist of the following: Counselor, Dr. Lucile Lord-Heinstein, Medical Gynecologist, a member of the American Association of Family Counselors, and a member of the staff of the N. E. Hospital for Women and Children; Mrs. Frank C. Webster, appointment Secretary; Mrs. Bernice R. Goldstein, who is serving as the Psychiatric Social Worker in charge of records. In addition, the service includes a consultative staff for such cases as may require referral.

Arlington Men Take Part In NACA Meeting

Several Arlington members of the Boston Chapter, National Association of Cost Accountants will be active at the November meeting, which was held at the Bradford Hotel, Boston, on Wednesday evening November 16. They are Nelson Marineau, of 30 Sagamore road and William J. Cody, 174 Medford street.

THIS SEASON'S FEMININE LOOK
If close scrutiny of your face makes you involuntarily shudder; if you pull away from a tender hand intending to stroke your chin, and avoid wearing the revealing hats and dresses that are so chic and becoming this season—do something about it at once!
This is usually the case when an otherwise lovely complexion becomes marred by superfluous hair. No matter whether it is a few stray hairs at the corners of the mouth or chin, or whether it is a heavier growth, the Thermiquetron System of Epilation offers you permanent relief from embarrassment and guarantees freedom from unwanted hair.
The treatments are no more arduous than a visit to a beauty salon, and so very important to your always looking your best. Thermiquetron is safe, speedy and permanent, and your comfort and well-being are always paramount to Thermiquetron operators. Be assured that you are at all times presenting your best asset—a lovely, smooth skin.

BLACKSTONE
WASHERS AND IRONERSThe Greatest Washer Value!
IN OUR HISTORY!

Really WASHES!

The BLACKSTONE is an AGITATOR WASHER! It uses the same proven, efficient, gentle washing action universally approved in the wringer washers! You can be certain that your clothes will be spotlessly washed, unharmed and free of knots and tangles! It really washes clothes clean!

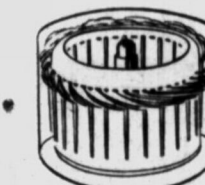

Really RINSES!

Only BLACKSTONE offers a scum-removing, double-action, agitated-rinse! After the tub automatically refills for rinsing, a complete change of clean water is introduced. As the agitator loosens dirt and soap scum which floats to the surface, a high velocity spray flushes this scum from the top of the tub before the water is drained out, so it cannot be redeposited in the clean clothes. It really rinses!

Really SPIN DRIES!

The BLACKSTONE tub develops such powerful centrifugal force — due to its size and speed of rotation — that most clothes are dried so efficiently they can be ironed at once! It can never twist or strain or tear the fabrics — nor break buckles or buttons! The swift, harmless centrifugal action of the BLACKSTONE really spin-dries!

(\$502,832,000)
FOR NEW AND IMPROVED
ELECTRIC FACILITIES

Since 1945 your electric companies have put \$352,426,800 into more and better electric service for New England. This big "catch-up" job after the war has placed the systems in apple-pie order and has added enormous blocks of brand-new electric generating capacity. But that's not all.

During the coming 3 years an estimated

\$150,405,200 more will go into further improvements and new capacity.

There's a total of HALF A BILLION DOLLARS (\$502,832,000.00) or an average of more than \$196,000 EVERY DAY FOR SEVEN YEARS being put to work by your electric companies to guarantee electricity in abundance for every New England need.

Boys' Club Offers Wide Program Under Red Feather Services

Open an average of 38 hours weekly the Boys' Club is a welcome refuge for any Arlington boy to spend his spare, after school, time in useful and creative occupation. The 1200 members find something worthwhile in every one of the many departments of the Boys' Club. From athletics to creative crafts a boy learns to become a better citizen in a wholesome atmosphere.

Enrollment at the Boys' Club starts with the Midget class at 8 years, next come the Juniors

at 10 years, the Intermediates follow at age 14 and the Seniors start at 17 years. Any Arlington boy willing to abide by the rules may become a member. The fact that the Club has increased its membership from year to year testifies to the popularity of the Boys' Club program.

Activities at the club range from Basketball, Volleyball, Boxing, Wrestling and Tumbling in a well lighted and spacious gym to Ping-pong, Pocket Billiards, Checkers and Chess and a wide variety of table games in the separated age group Game Rooms. Four newly renovated Bowling Alleys are available for the boys to develop their competitive skill. Lockers, Showers and Towels are provided for the athletic minded youngsters. Friendly, capable adult supervision is maintained at all times.

During the Fall and Winter, weaving and Mimeographing are taught under competent instructors and these classes are well attended by the club members. A well equipped Kitchen located on the lower level together with a Dining Porch rounds out the Boys' Club physical plant.

While school is out in the summer many members take advantage of a sojourn at Camp Wing or the Duxbury Stockade located at Duxbury, Mass., and operated by the Boys' & Girls' Club, Inc. Attendance at these camps is open at special rates at all Boys' Clubs in this area.

After school is underway and running all fall, winter, and spring the regular Friday night movie show is the highlight of the week as far as the younger boys of Arlington are concerned. Attention

at Arlington's only regularly scheduled, carefully selected, juvenile show averages 350 club members weekly. Special events at Halloween, Christmas and Easter and Mother's and Dad's Night are extremely well attended features. The Dads' Club under President Bill Bennett is a great help to the club.

Officers of the Arlington Boys' Club are; Maurice Sandler, President, Charles B. Perham 1st Vice President, Walter T. Kenny 2nd Vice President, Walter Cooleage Jr. Treasurer, and A. Henry Ottoson, Secretary.

Members of the Board of Directors are; William C. Adams, Nils G. Anderson, Mrs. James A. Bailey, Archie F. Bullock, Harold A. Cahalin, Lester W. Cameron, Bavel L. Cummings, Mrs. Edgar T. Chester, Herbert J. Cronin, Roscoe O. Elliott, Msgr. Matthew J. Flaherty, Miss Edith M. Fox, John C. Gill, J. Howard Hayes, Benjamin F. Hickey, Francis Keefe, Bertil E. Lindvall, Rev. John Nicol Mark, Arthur L. McAvoy, Robert L. Moore, Albert H. Perkins, Thomas R. Rawson, Jr., Walter E. Richardson, Leonard G. Russell, Thomas F. Scanlon, Weiss, and Russell P. Wise.

Extensive renovations now completed at the Pond Lane Clubhouse have been paid for from money granted to the Boys Club by two private Boston charities and a public spirited individual from a nearby town. This money was given specifically for repair work.

Support of the Community Fund by all Arlington residents will insure the continuation and extension of the splendid service rendered to the boys of Arlington by the Arlington Boys' Club the only full time agency in the town.

TO HONOR GRID TEAM

Arlington Council K. of C. has set January 18, as the date for its sixth annual dinner in honor of the Arlington high school football team. Chairman of the committee on arrangements, is William Hoar. He is assisted by a large and capable committee.

BOOK WEEK NOV. 13-19

Special activities are highlighting the observance of the annual Book Week, being observed this week including exhibits of selected new books and new editions of the classics. These are on exhibit at the Junior Library, Dallin and the East branches and are attracting much attention among the younger school set. Following an open house held on Monday evening at the various libraries, at which teachers with their classes, both Scout and Camp Fire leaders, brought their groups to the libraries, a fine opportunity was given to talk over the various new book selections and to make out Christmas lists for book giving. Story hours will be held on Saturday morning, November 19, as follows: East Branch at ten o'clock Dallin and Junior Library branches, at 2:30 o'clock, Saturday afternoon. In order that all interested parents, teachers and friends, may have an opportunity to view the book displays, the latter will remain on exhibit until November 26th.

Miss Brady Bride Of Mr. John T. Nellis

Selecting the date of her grandparents' fiftieth wedding anniversary as her wedding day, Miss Lois Ann Brady, daughter of Mr. and Mrs. Joseph Arthur Brady, of Jamaica Plain, exchanged vows recently in the First Methodist church in Arlington, with Mr. John Theodore Nellis, son of Mrs. Christopher Jennings Nellis, and the late Mr. Nellis, of Arlington. The Rev. Ray E. Briggers officiated. A wedding reception followed the ceremony, held in the vestry of the church.

The bride, given in marriage by her father, was radiant in a wedding gown of ivory satin, with mandarin collar trimmed with braid, and matching crown head-dress, to which a fingertip net veil was attached. A cascade bouquet of white roses and stephanotis, with white orchids, completed her bridal costume.

Mrs. A. Stanley Rolster, Jr., of Cambridge, the matron of honor, was distinguished in burgundy velvet, carrying a bouquet of mixed chrysanthemums. Similarly gowned were the bridesmaids, Miss Helen M. Brady, the bride's sister, and Miss Frances Rosen of Chelsea.

The mother of the bride, Mrs. Joseph Arthur Brady, was gowned in beige crepe, while the bridegroom's mother wore rose lace. Both wore orchid corsages.

Mr. George Aldrich of Somerville was best man. The ushers included Mr. Robert J. Brady, Mr.

H. A. Richard Jacobson, Mr. Robert E. Powers, all of Jamaica Plain, and Mr. George Brumis of North Easton.

Mrs. Ellis is a graduate of Northeastern University. Following their return from a honeymoon motor trip through the South, the young couple will make their home in Pelham.

ENGINEERS NAMED TWO CIVIL

At a recent joint board meeting of the Arlington Board of Selectmen and the Board of Public Works, provisional appointments were made of two new civil engineers. The appointees are: Leon V. O'Brien, 1370 Massachusetts Avenue, and Clement J. Beaudet, Jr., of 2 Walnut Terrace. The engineers have assumed their new duties in the town engineer's department.

THE ERNEST ADELLS NOTE ANNIVERSARY

Over two hundred and fifty guests, including friends and relatives from New York, Worcester, Milford and Medway, gathered at the Evangelical Covenant church in North Cambridge, recently, to honor Mr. and Mrs. Ernest Adell of 52 Milton street, Arlington, on the occasion of their twenty-fifth wedding anniversary.

The Adells were the recipients of many lovely gifts and hundreds of congratulatory messages and cards from their many friends. They have two daughters, the Misses Elaine and Marilyn, both students at the Arlington high school. Included among the gifts was a beautiful silver service, and a generous purse of money.

Return From Pilgrimage

Returning recently on the Britannic from a seven weeks tour of Ireland, were Mrs. Thomas Quinn of 10 Hobbs court, with her sisters, Miss Ellen Concannon of Arlington, and Mrs. P. F. Brennan of Cambridge. The group was met in New York by the Misses Winnifred and Mary Quinn, and Mr. and Mrs. Edward J. Quinn, and Mr. and Mrs. P. P. Quinn of Arlington.

CATHOLIC WOMEN ENJOY TALK

At Wednesday evening's meeting of the Arlington Catholic Woman's club held in St. Agnes school hall, the guest artist, Miss Margaret Brine presented a most interesting travelogue, entitled "Pilgrimage to Fatima." Mrs. William Keefe was hostess. In accordance with a plan adopted at the last meeting of the group, the members brought small gifts in aid of the Holy Ghost Hospital bazaar to the meeting.

Miss Elder Retires

After more than fifty-one years continuous association with the pany, in Boston, Miss Margaret Elder, of 80 Westminster avenue, has retired from the company. In recognition of her fifty years service a year ago last April, Miss Elder was presented with a Chelsea clock by the president of the company, Mr. Lockland. Miss Elder was employed in the advertising branch of the educational department of the organization. She has always been an ardent worker and Sunday School teacher at the Park Avenue Congregational Church, where she has a class of more than fifty boys and girls of high school age.

GEN. KEATING—

duced by Representative Henry E. Keenan, himself as one who had chosen military service for a career as others chose business or a profession. He spoke of the advantages for our young men in this national service; of the care that is taken by recruiting officers to secure men and women of the best type and of the regard for their welfare during their term of service and urged that such service should be entered upon as a life career.

Benediction was pronounced by the Reverend Justin C. Durocher of St. Agnes Parish. The meeting closed with the singing of the National Anthem by the assembly.

Arlington organizations sponsoring the movement for "Safety Guards for Peace" are: Menotomy Chapter D. A. R.; Arlington Kiwanis Club; Lodge 1453, B. P. O. E.; Post 1775, V. F. W.; Post 39, American Legion; Arlington Loins Club.

KING'S DAUGHTERS MEETING

On Wednesday afternoon, November 16, the Good Samaritan Circle of the King's Daughters, held a regular meeting at the home of Mrs. Clarence Higgins, 988 Memorial Drive in Cambridge. The assisting hostesses were Mrs. Douglas Forbes and Mrs. Ruth Woodworth.

COMMUNITY CLUB LADIES' NIGHT

The Annual Ladies Night of the Community Club, the oldest club in Arlington, will be held at the Hotel Commander this evening, November 17th.

A full evening is planned by the special committee. Special features and surprises will make the evening another of those get-togethers that have made the members and their ladies look forward eagerly with pleasure to these affairs.

A turkey dinner, special guests, out of town entertainment, special favors for the ladies, are a few of the highlights that comprise this gala affair. Over 130 are expected to attend. The committee consists of Frank Caldwell, President, Ed Connor, Elmer Scribner, William McCarthy, Ernest Hesseltine, Hugo Barrata, and others.

Mr. Henry had been a resident of Arlington for the past twenty-three years. He had been retired for the last twenty years, from the theatrical manager business, and was for many years associated with the Columbia Amusement Company, with New York headquarters. He was a member of the Winchester Country Club. He leaves one nephew, William J. Henry, of Maple Shade, near Camden, New Jersey, and also one grand nephew.

FRANCIS M. MCCARTHY

Francis M. McCarthy, 53, of 68 Franklin street, former semi-pro baseball and basketball player, died Tuesday at his home. He participated in sports for Arlington High, St. Mary's Club, of Lynn and various other athletic groups.

In addition to his parents, Mr. and Mrs. John McCarthy, with whom he lived, two brothers and three sisters survive. They are Edward J., of Meriden, Conn. and Thomas J. The sisters are Mrs. Richard Walsh of this town, and Mrs. Helen Farrell and Mrs. Elizabeth Malone, both of Somerville.

Funeral services will be held from the home on Friday morning at 8:15, with a solemn mass of requiem celebrated at nine o'clock in St. Agnes church, Arlington. Burial will be in Mount Pleasant cemetery, Arlington.

THANKSGIVING CANTATA AT AT FIRST BAPTIST

Retiring Nurse Reminiscences Of Early "Horse And Buggy" Days

Seated comfortably at ease at her desk in the spacious quarters of the Arlington Visiting Nursing Association, at 13-A Medford street, Arlington, retiring district nurse, Miss Caroline A. Fandell, Arlington's beloved nurse with an enviable record of over thirty years of continuous service here, reminisced pleasantly to this reporter of the early days of the Association, when starting from scratch, the tiny unit serving at the beginning a population of approximately 18,000, (now more than 46,000) survived the years of hardship and lack of needed equipment and facilities when by foot and the fabled "horse and buggy" the nurses journeyed up hill and down dale, through snow, sleet, rain and shine, on their errands of mercy.

Never to be forgotten, was the famous "tag day", held on the straggling street corners of the town, which netted dimes, dollars

and nickels for the purchase of a small Ford coupe resulting in added speed and service to the outlying districts formerly covered on foot or by "horse and buggy."

At the present time, the organization boasts the latest in equipment, has a highly trained staff of five capable nurses, two autonomous-two clinics for children, a clinic for mothers and keeps up to the minute in the latest developments in medical science.

With characteristic modesty and self-effacement, Miss Fandell, stressed the successful results over this long period of years attained by the Association, overshadowing the important part which she herself played toward the success.

A graduate of Simmons College, Miss Fandell spent the first years of her professional life as night superintendent of the Boston Lying-In hospital, with the General Memorial hospital in New York, and other important positions of trust and came to Arlington in June of 1919. Here she has seen many changes and improvements and has made for herself an enviable place in the hearts of the public. With time out for occasional vacation and travel, Miss Fandell has been continuously on the job for over thirty years.

The present staff of the Arlington Visiting Nursing Association covers more than one hundred years of mutual service and includes the following members of the profession: Miss Ethel Fisher, with 28 years of service to her credit, Miss Mary Heffernan, boasting of 27 years; Miss Agnes MacGowan, 12 years and Mrs. Brennan, the latest addition to the staff.

The best wishes of hundreds of Arlington friends will accompany Miss Fandell as she enjoys a much needed vacation during the coming months and they earnestly hope that her plans will include Arlington as the center of her future activities.

SPECIAL FACTS ON SUPERFLUOUS HAIR

It is a general acceptable fact that the following are the principle factors causing growth of hair: Heredity, disorder of the glands, injury and stimulation and nervous disorders.

In all cases, where there is a question that an excessive growth of hair may arise from glandular or nervous disorders, a physician should first be consulted before resorting to permanent removal by a skilled operator. The majority of these cases usually are under doctor's care and are then referred to us for treatment.

However, it is strictly observed by the Thermiquetron System of Epilation to advise an examination by a doctor in any case where there might be the existence of the above disturbances and the patient admits that no doctor has been consulted. The welfare of the patient must always come first! It is most important to be examined by a doctor at regular intervals and no one should neglect their health, no matter how pressed for time. Your doctor is your best assurance at all times for a healthy and happy life.

Thermiquetron is fully aware of the importance of the physical and mental health of its patients and wholeheartedly co-operates for your welfare.

Arlington Marches Undeclared 32-0

By FRANK MAHONEY
In the well heralded meeting of the Class "A" and Class "B" league leading teams, the powerful Arlington High club led by flash-right half back Don O'Brien, demolished the Watertown eleven 32-0 before some 9000 fans at Victory field in Watertown last Saturday afternoon.

Watertown High was supposed to be the big stumbling block for Arlington in their race for the Co-championship title of the Class "A" league. The Zenomen, however, never beyond midfield until the third period, lost for the first time in eight games, and blew their chances for the Class "B" title.

Arlington's Don O'Brien scored three of the touchdowns, one on an 80 yard run back of an intercepted pass, and this set the charge which smashed the Black and opened the road for clear sailing to the Class "A" championship.

Watertown's only offensive bid came in the late moments of the 3rd period, when it drove 98 yards for a touchdown only to have a penalty call it back.

The Toezylowski men showed once again, that they are the best defensive team of the year by holding scoreless a Watertown team that had registered at least three touchdowns against six of its eight opponents and two against previously undefeated New Bedford.

The Red and Gray were up for their best performance of the year in this supreme test. The hard running backs, working behind the heaviest line in schoolboy football,

ground out 300 yards by rushing, while scoring one touchdown in each of the first three periods, and two in the final quarter.

END DeROSA STARS
The first Arlington drive starting on its own 30 carried the ball to the Watertown five yard stripe, where number one of a series of fumbles lost the ball to Watertown. On the ensuing kickoff the ball was captured on the Watertown 32. The following two plays gained little ground.

Dick DeRosa, the basketball captain, was sent into the game and he lived up to all expectations when, on a pass from quarterback Jack Cosgrove, he leaped into the air from the midst of four opposing players and grabbed the ball for a 26 yard gain, which placed the ball on the watertown three yard stripe. O'Brien plowed over on the next play for the first touchdown.

Another pass from Cosgrove to Salisbury was good for 38 yards, putting the ball on the Watertown 17. O'Brien went the rest of the distance on the next play with the aid of great Arlington blocking.

SALISBURY RECOVERS FUMBLE
Early in the second half, Salisbury recovered a fumble on the Watertown 44 and two plays later raced 40 yards for a score. Fumbles took over again on an ensuing march to the Watertown 12 a fumble lost the ball to Watertown who kicked out. Then the Arlington el-

even marched 35 yards to the enemy two and fumbled again.

In the later stages of the third period, the single Watertown offensive move started. It recovered a fumble on its own two yard line and marched the length of the field for a score. But when Parella scored from the 10, an offside penalty was called hauling it back.

In the fourth period, Watertown took to the air in a last minute effort to erase the big "O" on the board, when Don O'Brien came up with his interception and 80 yard run back to pay dirt. In the final minutes of the game, Bill Kenneally fired a pass to Dick DeRosa that was good for 45 yards and another touchdown. Final score Arlington 32, Watertown 0.

Lexington Takes Holiday Beating

Reading High's smooth-working gridders carried too many guns for a desperately fighting Lexington High here on the holiday afternoon, winning about as they pleased 20-0. Featuring rangy Bob Gibson as a very efficient T man, the talented visitors scored once in the first two periods and another in the last chapter.

To Lexington's credit, the score just about indicated the difference between the two teams. The final touchdown came as the result of an interception when Win Ricker was calling for desperation passes deep in his own yard.

Aside from an ineffectual offense, which at times was practically non-existent, the Blue and Gold need make no apologies for the fighting type of ball the boys produced. Johnny Fradette, whose name should have been mentioned before we got this far into the story, was a defensive Mighty Joe Young. Johnny was in on two-thirds of the tackles from his backer up position and he got good support at times from his mates, particularly ends Larry McLaughlin and Tony Moretti and McLaughlin, Webster and Massamilla in the inner defensive cordon. Despite efforts of these operators, however, Reading walked down the field after receiving the opening kickoff, racking up five straight first downs without giving up the ball, before Morris skirted the L. H. S. left end for the touchdown from nine yards out. In this sequence, the visitors used the aerial method just once, and this was incomplete.

In the second quarter, Reading got a break when Gadbois got away a poor kick but Lexington was penalized for running into the kicker and on his second try, the Reading punter got away a beauty which was finally grounded on the Lexington 10. At this point, after Mahoney made nine yards off tackle, Dick Moakley made Lexington's only first down of the game. Ricker took to the air and Hegarty intercepted his pass giving Reading the ball on the Lexington 35. Surette ran the Lexington flank on a pitchout to the local 20 and on the same play, Surette repeated and was downed on the 2. The visitors then began to experiment and a pass was grounded and were penalized for offside. Fading back to his 30, Gibson tossed a beautiful pass to right end Surdam, who immediately hot-potatoed it to Bella, coming up on the outside and again the ball was back on the Blue and Gold doorstep, just inside the one yard mark, from which Gibson punched it over on a quarterback sneak. Hegarty ran the Lexington right end for the point after and the enemy led 13-0.

Win Ricker provided the only Lexington thrill of the day soon

after, when he grabbed a Reading heave inside his own 10 and then streaked up the sideline to mid-field before being knocked outside. That was all for the locals and shortly after Ricker had a punt blocked and the ball changed hands again a minute later when Moretti recovered a Reading fumble, all this taking place at or near mid-field. The half ended soon after.

In the third period, Carmen Massamilla was Johnny on the Spot to stop another Reading drive when he dropped on a fumble on the Blue 25. Soon after the sides changed for the last period, Reading got another break that led up to its final score of the day. Lexington chopped down the visiting drive and forced a punt on the L. H. S. 45. The kick was poor, but Lexington was caught offside, giving Reading a first down on the 40. The pestiferous Mr. Hegarty then grabbed a pitchout and galloped to the home 20, but again the scrappy L. H. S. line reared up and held, with McLaughlin finishing up by smearing Lyons for a 12 yard loss, with Lexington taking the ball on its own 20. Two plays later, sad to tell, Reading scored when Morris took a Mahoney pass out of the reaching arms of Lafortune and sprinted 30 yards across the goal line. This time, Gadbois made his place kick good and it was 20-0 and that is how it ended.

Both teams played sloppy ball on occasion, several Reading fumbles being recovered by the home boys as related above, while Lexington's few chances to break thru for respectable gains were usually nullified when pass receivers played volley ball with the pigskin.

First downs ten to one for Reading just about tells the story.

"Here's the Pitch"

By "Bump" Hadley
WBZ, WBZ-TV Sportscaster and
Former Major League Pitcher

REPRESENTATIVES OF the major league baseball clubs meet in Cincinnati this week for the annual player draft.

Mostly the draft choices are eager young rookies, ready and willing for a crack at the major leagues. Obviously the best of the draft material has been combed over. The chances of getting a Walter Johnson or a Babe Ruth are slim indeed.

But there's a nostalgic touch to the draft lists. They include former major league stars who either have reached the end of the trail or have even major league stuff, even though they flashed briefly in major league ball parks.

One of the names this year is that of Max West. It doesn't appear that there will be any great rush for West's services, and yet at one time he was a slugging outfielder with the Boston Braves, a home run hitter who would have commanded a fancy price in either players or cash.

Also on the list is Jim Tabor, the strong-armed third baseman, who was a Fenway Park favorite for half a decade. Two other ex-Red Soxers on the draft list are "Doc" Cramer, spry hitting outfielder, and Denny Galehouse, a veteran right handed pitcher.

Hard luck Ray Sanders, one-time Boston Braves' first baseman, Clyde Shoun, former Braves' relief pitcher and Johnny Beazley, sore-armed Braves pitcher, are available for major league drafting—if any major league club still wants them.

The chances are that they will not be drafted. Yet a few years ago, this handful of stars would have formed the nucleus of a pretty good ball club.

BATES COLLEGE
William Cunnana, Jr., 30 Addison street, Arlington, a graduate of the local high school, has been in the football picture at Bates since his entrance in 1946. Bill played varsity right end for three years and this year was moved to the defensive right tackle position. He is considered one of the outstanding Athletes of Bates College. (Under the Maine Collegiate Conference wartime rule, a freshman could play varsity ball. This applied in Bill's first year.)

R. C. Elliott Speaker At C. Of C. Meeting

Roscoe Elliott, chairman of the Committee on proposed changes in the town government, was the guest speaker at the meeting of the Arlington Chamber of Commerce, on Tuesday evening at the Junior Library hall.

The list of proposed changes will come before the annual town meeting to be held in March. A lively discussion period followed Mr. Elliott's talk, in which he outlined the importance of the proposed changes in detail.

Chief of Police Archie F. Bullock also addressed the group on the subject of parking conditions, parking meters, and the recent changes in regulations.

Several proposed changes in the by-laws of the Chamber, speeding up the acceptance of proposed new members, also received the attention of the meeting.

Park Avenue Cong. Church Annual Fair Nov. 17-18

All roads are leading today (Thursday) and tomorrow to the church of Arlington Heights. The fair is open at twelve noon on each day, with both luncheon and tea being served.

Following the school sessions on both days, a children's hour will be given for the youngsters, with magician and various other attractions. A dinner will be held both Thursday and Friday nights at six thirty p. m., sponsored by PACT will be the attraction, with an auction on Friday evening.

Mrs. William R. Bennet who has served in the same capacity for the past five years, is general chairman of the fair. The following members of the church are included as chairmen of her committee: They are as follows:

Mrs. Frank Lincoln Mrs. John Strong — dinners; Mrs. Edward Potter — after noon tea; Mrs. Carl Bates — gift table; Mrs. Robert Bundy — handkerchiefs; Mrs. Fred Crumby and Mrs. Forrest Barker — candy; Mrs. Sten Nyberg and Mrs. William Anderson — plants; Mrs. Maurian Soper — food table; Mr. and Mrs. Gordon Taylor — children's table; Mrs. Carl Thoren r. — 10c store; Mrs. Charles Hazlett — Xmas candy and wrappings. The public is invited.

Plans Discussed For New Memorial Center

At the second meeting of the committee on the proposed new memorial center held on Tuesday evening in the Hearing Room of the Robbins Town Hall the advisability of a magnificent physical education sports center to be erected on private land to be given to the town of Arlington, was discussed. The proposed center would serve as a living memorial to Arlington's honored dead.

Dr. Herbert Buttrick opened the meeting, and after showing plans and sketches, he introduced G. Bertram Washburn, who had agreed to act as general chairman and coordinator of the self-styled "Exploratory Committee."

The proposed site is east of the Arlington high school football field and lies between the field and the property of the David Buttrick Company, well-known dairy experts of the town. The approximate cost of the new center would be about \$1,200,000, it is estimated.

It was offered that the Arlington school department and the Arlington Park Department, need much greater facilities than would be afforded by such a project. The School Department has been considering plans for a \$600,000 gymnasium to be presented before the 1951 or 1952 town meeting members. The Park Department also is at present considering a field house to be erected near the same site, to cost approximately \$75,000. It was agreed that the combining of these two requirements into one structure would of course greatly reduce the over all cost.

The Center would also include a regulation sized hockey and skating rink, which would have a spectator seating capacity of over four thousand five hundred persons. Within half a day, such a section could be converted into an auditorium space with a capacity of seating approximately seven thousand. It is thought that through this skating rink a large revenue may be enjoyed. The usual fee charged would be approximately twenty-five dollars an hour.

A major feature of the new Center would be to serve as a War Memorial, with plans calling for a circular room to be a true Memorial room, with quiet and impressive atmosphere.

Chairman Washburn will announce the study committee in the near future, and it is hoped that enough progress may be made so that a definite course of action may be determined upon at the annual town meeting to be held in March of 1950.

Surprise Reception For The Ernest Johnsons

Mr. and Mrs. Ernest S. Johnson, of 263 Park Avenue, were honored with a surprise reception recently, at their home, in commemoration of their 35th wedding anniversary, given by their daughter, Miss Natalie A. Johnson, and their son Mr. Stanwood F. Johnson, of Harvard, Mass. More than ninety friends and relatives attended. The guests of honor were the recipients of many lovely and useful gifts, as well as hundreds of congratulatory cards and messages. The pourers were Mrs. Thomas H. Bott, of Beverly, and Mrs. Katharine Rhodes, of Haverhill. Mrs. Norman C. Jenkinson, of Arlington, assisted in serving the anniversary cake and other refreshments. Mr. and Mrs. Johnson are planning to take an anniversary trip to Bermuda at a later date.

Arlington Fire Fighters Go To Aid Of Medford

At Saturday afternoon's \$350,000 fire at the Edward Brooks School in West Medford, Arlington sent three pieces of fire apparatus and firemen in charge of Chief Richard J. Tierney, and was the first out of town fire department to reach the site of the blaze. In all, fire departments from five adjoining communities responded to the emergency call for outside aid, with apparatus and men.

Chief Tierney took charge as his men took up positions to fight the blaze from various angles in Junior High School which was only a few feet away from the scene of the blaze. Through the combined efforts of the five departments, the fire was finally under control, with a loss of \$350,000, but with the saving of much valuable properties adjoining the Hobbs Junior High building.

Citizens Committee Meets This Evening

The Arlington Citizen's Committee will hold its first meeting of the season this evening (Thursday) at eight o'clock, at the Old Town Hall. All registered voters or other eligible to register are cordially invited to be present. Chairman Bill Dunn especially urges all public spirited and civic-minded residents of the town to attend tonight and get acquainted with the Citizen's Committee meeting in action.

WRANGLERS ENTERTAIN

The Boys' Club Wranglers, entertainers, made their first public appearance before a large and appreciative audience, on Friday evening, November 14th. Bob Munstedt, leader, has worked out several interesting programs featuring these talented boys.
